

# PRWA OPERATOR OF THE YEAR AWARD

This award was created by the PRWA Board of Directors and is given each year to that individual who has contributed much to the successful operation and maintenance of a water system in Pennsylvania.

## **2019 Recipient: Fred Roberts - Tri-County Joint Municipal Authority**

Fred Roberts has worked for Tri-County Joint Municipal Authority for more than 20 years. He began as a part-time employee while pursuing his college degree from California University. Fred has advanced through several positions with the Authority and currently serves as Foreman and is the “go to guy” for problem-solving. Fred has implemented the use of new equipment and systems to provide useful data to improve productivity and has overseen the completion of multiple projects which have proven to enhance water quality and service. He has an intimate knowledge of all aspects of the Treatment Plant and Distribution System and holds multiple license classes for water systems. Fred’s work ethic and outstanding performance prove he cares deeply about the customers, the community and their water quality and service.

Congratulations to Fred on being recognized through this award for his outstanding contribution to the Authority and the community!
